15th International Congress on Thermal Stresses (ICTS 2027)

Minisymposium Proposal

December 15–18, 2027 | IIT Delhi, New Delhi, India

https://icts2027.iitd.ac.in

---

1. Minisymposium Title

Maximum 60 characters. The title should be specific and focused. Avoid generic titles (e.g. "Smart Materials"). A desirable title would be "Thermoelectric Coupling in Smart Materials".

---

2. Organiser Information

Organiser 1 (Primary Contact)

Name: _____

Affiliation: _____

Email: _____

Phone: _____

Organiser 2 (if applicable)

Name: _____

Affiliation: _____

Email: _____

Phone: _____

3. Scope and Description (300–450 words)

Describe the technical focus and specific topics to be covered, and indicate their current significance based on the state of the art.

4. Relevance to Congress Themes

Which congress topics does this minisymposium address? If not explicitly listed, briefly justify its relevance to the scope of ICTS 2027.

5. Tentative List of Speakers

Please provide a tentative list of potential speakers for the proposed minisymposium.
